LEOPOLD BROS.

ROCKY MOUNTAIN BLACKBERRY WHISKEY

The finest blackberries from the northern Rocky Mountain region are harvested over the summer, juiced, and blended with our whiskey, creating an intensely rich spirit.

The whiskey rests in charred American barrels, where notes of vanilla, raisin, and oak are pulled from the barrel itself, flavoring the whiskey.

The spirit is naturally colored by the barrel and blackberry juice used, without the aid of artificial coloring agents.

Finally, it is bottled by hand to maintain the integrity of the sweet blackberries and soft finish.
